Where is your offender?

The Montana Department of Corrections (MDOC) closely monitors the location and custody status of offenders under its supervision. Register for our free, confidential, automated VINE (Victim Information & Notification Everyday) service to track your offender's whereabouts.

To register, call VINE at (800) 456-3076 and follow the instructions, or register online at www.vinelink.com.

You may also download a free mobile app for your iPod or smart phone at <https://itunes.apple.com/us/app/vinemobile/id625472495?mt=8> or <https://play.google.com/store/apps/details?id=com.appriss.vinemobile>.

More than 80 percent of all adult offenders under MDOC are supervised in the community rather than prison. Alternatives include probation, parole, drug treatment programs and prerelease centers.

Victim Impact Panels: Helping Victims Heal

What is a Victim Impact Panel?

Victim Impact Panels (VIPs) under the Montana Department of Corrections (MDOC) consist of two to four victims of felony crimes who volunteer to talk with a group of convicted adult offenders about how crimes have harmed them, their loved ones and their communities. Each volunteer speaks for a designated amount of time and offenders may then be invited to ask questions.

Why would a victim want to participate on a VIP?

VIPs provide victims an opportunity to express their feelings about the crimes committed against them. This typically helps victims in the healing process.

Those who have participated on VIPs report that they feel empowered by telling their stories to a listening audience. Some appreciate an opportunity to make a difference by holding offenders accountable.

Where do VIPs occur?

VIPs are conducted at community corrections programs, such as prerelease centers, drug and alcohol treatment facilities, and some Montana prisons. Offenders attend VIPs as part of a victim impact curriculum.

The volunteers decide where they wish to speak at panels.

Will my offender be there?

No. The MDOC will ensure that your offender is not part of the group attending the panel on which you are speaking. The VIP is not an appropriate forum for victims to face their actual offenders.

If you would like to meet directly with your offender, call MDOC Victim Services at (888) 223-6332 to discuss a Victim-Offender Dialogue with a trained facilitator.

Will I be safe during the VIP?

The personal safety and security of victim volunteers and all other parties involved is the most important consideration in the preparation for a VIP. All parties learn in advance about appropriate behavior at a VIP. We work with our victim volunteers to be sure the environment is safe. In most situations, security staff is nearby. A VIP should not be frightening for anyone.

Do offenders benefit from attending a VIP?

VIPs force offenders to confront the personal harm they caused their victims, families, friends and communities.

Some offenders view themselves as victims because they were caught. If no one was physically injured during the crime, offenders might believe the crime had no victims. Most offenders report that the VIP was an important factor in their decisions to take responsibility for their criminal actions, participate in treatment, and change their lives.

How do you find volunteers for VIPs?

Victim advocates, prosecutors, Department of Corrections staff, and other victim volunteers spread the word about VIPs. If you are interested in participating on a VIP, MDOC Victim Services staff can help you decide if this is the right decision for you. You can change your mind at any time.

Will I be paid for speaking on a victim impact panel?

Most contracted facilities provide a small stipend. MDOC facilities cannot provide a stipend. MDOC may reimburse victims for their travel expenses and meals.
